1. Product Introduction

Apacer's AH322 is for users that prefer personal accessories with an upscale look. With its black, baked enamel finish and transparent cap, the AH322 projects quality and a sophisticated sense of style. At the back of the drive is a hole for attaching a keychain or lanyard for easy carrying. No matter what digital files you are storing or sharing, the AH322 is a handy, yet elegant companion.

The AH322 USB drives are designed for user convenience. Insert the drive into a computer's USB port and transfer files with ease and speed. The plug-and-play USB 2.0 and USB 1.1 compliant interface is compatible with operating systems such as Windows XP/7/8, Mac OS 10.4.x or later, and Linux 2.6.x or later. Apacer AH322 USB flash drives let you bring your digital lifestyle with you wherever you go.

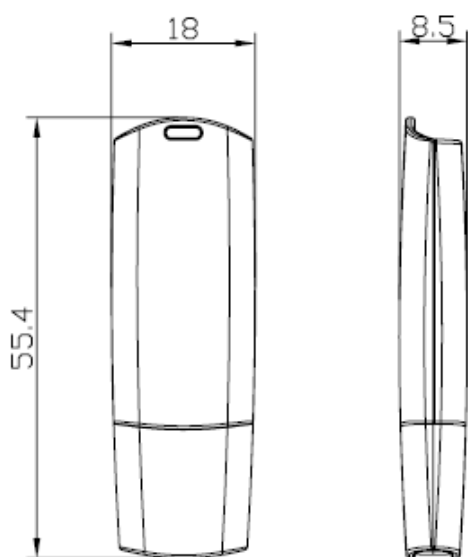

2. Product Features

- Plug and play
- A sophisticated sense of style
- The strap hole makes it easy to be attached
- Capacity support up to 32GB
