

Hook and Loop Cable Ties

The comprehensive family of hook and loop cable ties delivers reliability by protecting against over-tensioning of high performance fiber and copper cables. These ties are adjustable, releasable, and reusable to effectively support frequent moves, adds, and changes (MACs). A wide range of designs, sizes, and colors provides flexibility and an aesthetically pleasing appearance.

Key Features	Benefits
Soft hook and loop material	Reliability – Safe way to effectively bundle cables while maintaining network data integrity by protecting against over-tensioning; minimal installation time; no tools required
Releasable design	Scalability – Adjustable, releasable, and reusable to accommodate frequent moves, adds, and changes (MACs) which supports evolving changes to equipment and cabling for future growth; supports rapid deployment
Wide range of designs, sizes, and colors	Aesthetics – Allows design flexibility and provides a professional, finished appearance
Plenum rated styles	UL listed cable ties can be safely applied in plenum or air handling spaces per NEC, Section 300-22 (C) and (D)
Comprehensive product offering	Supports a wide range of applications; allows maximum installation flexibility

Так-Тү®Loop Ties Slot allows for pre-wrapping of bundles

Так-Тү[®] Cable Ties – Plenum-rated UL Listed loop style and strip style

Так-Тү[®] Strip Ties Rolls perforated in convenient 6", 12" or 18" strips

ULTRA-CINCH[™] Ties Cinch ring provides extra strength

Так-Тү[®] Stacked Strips Eliminates cutting and staging 7" Strips (100 pieces)

ULTRA-CINCH[™] Ties Grommet styles for mounting applications

Так-Тү[®] Rolls Lengths: 15' and 75' can be cut to any length

Так-Таре[™] Rolls General purpose fastener

TAK-TY[®] Hook & Loop Cable Ties

- Soft, premium material is safe to use on high performance cabling
- Adjustable, releasable, and reusable up to hundreds of times
- Broad selection of durable designs and sizes
- Select ties are UL listed for use in plenum or air handling spaces (such as ceiling voids and under floor areas) per NEC, Section 300-22 (C) and (D); flammability rating: UL 94V-2

- Soft, premium material is safe to use on high performance cabling
- Adjustable, releasable, and reusable multiple times
- Unique material with hooks and loops on same side allows user to secure a greater range of bundle diameters, including smaller diameter bundles
- Low profile contoured cinch ring provides extra strength and bundle tightness, while reducing overall bundle size
- Grommet styles offer strength and assure reliable installations that resist pullout when bundling and mounting cables within cabinet applications
- Tapered tip facilitates easy, snag-free threading
- A full range of colors; see Color Chart on page 4

Related Network Bundling Products

Elastomeric Cable Ties

- Elastic, flexible tie; safe on network cables and installers
- UL 94V-0 flammability rating meets telecommunication requirements
- Releasable and reusable

Cable Bundle Organizing Tool

- Reduces cable installation time up to 50%
- Arranges 24 cables optimizing bundle size and improving installed appearance
- Accommodates a wide range of data cable diameters

Cable Tie Mounts

- · For use with hook and loop cable ties
- · Unique cradle design provides maximum stability for cable bundle
- · Choice of adhesive backed or screw mount styles provides installer flexibility
