

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

1552100274

Status:

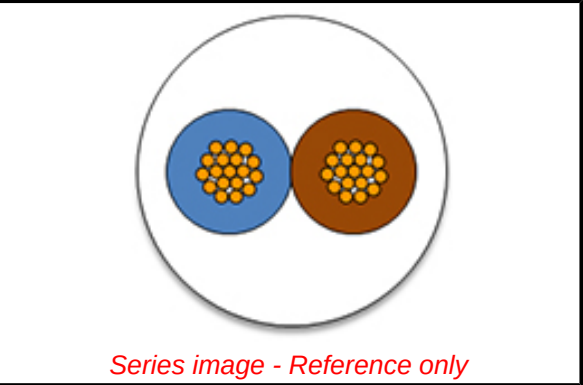

Active

Overview:

Flamar Standard Cables for Industrial Automation

Description:

Flamar Control Cable, PVC Jacket, Unshielded, 2 Circuits, 14 AWG, 8.80mm Diameter, 200.0m Length, Gray

Documents:

RoHS Certificate of Compliance (PDF)

Product Literature (PDF)

|                               |                                                  |
|-------------------------------|--------------------------------------------------|
| General                       |                                                  |
| Product Family                | Cable                                            |
| Series                        | 155210                                           |
| Bending Radius - Minimum      | > 15xOD                                          |
| Color - Cable Jacket          | Gray                                             |
| Crimp Quality Equipment       | Yes                                              |
| Geographic Area               | Global                                           |
| Material - Outer Jacket       | PVC                                              |
| Outer Jacket Diameter         | 8.80mm                                           |
| Overview                      | Flamar Standard Cables for Industrial Automation |
| Product Literature Order No   | 987651-3992                                      |
| Product Name                  | Flamar                                           |
| UPC                           | 889056454223                                     |
| Physical                      |                                                  |
| Cable Length                  | 200.0m                                           |
| Circuits (Loaded)             | 2                                                |
| Insulation                    | TPE                                              |
| Net Weight                    | 0.010/g                                          |
| Packaging Type                | Reel                                             |
| Temperature Range - Operating | +5°C to +80°C                                    |
| Wire Size AWG                 | 14                                               |
| Wire Size mm²                 | 2.50                                             |
| Wire/Cable Type               | Signal and Control, UL AWM 2464 / CSA            |
| Electrical                    |                                                  |
| Current - Maximum per Contact | Contact Molex                                    |
| Voltage - Maximum             | 300V                                             |
| Material Info                 |                                                  |
| Old Part Number               | 1X200M                                           |
