

### 1349A Multi-Conductor - CC Link Certified Signal and Power Cable

For more Information please call

1-800-Belden1

#### **General Description:**

18 and 20 AWG stranded bare copper conductors, foam HDPE insulation (power), foam HDPE insulation (data), overall Beldfoil® shield (100% coverage) plus tinned copper braid shield (78% cov.), 22 AWG stranded (7x30) tinned copper drain wire, PVC jacket.

| Usage (Overall)  |                                      |                         |
|--|--------------------------------------|-------------------------|
