

InfoVue™ OLED Display

ITW ECS brand Lumex® announces the release of the InfoVue™ OLED Display which features an ultra thin display with low power consumption. The OLED Display has a fast response time for quick display refresh and a wide viewing angle, ideal for portable electronics displays.

Features:	Benefits:
Many color options and sizes	Able to be designed into applications with varying sizes, and fully customizable
Faster response time (compared with LCDs)	Quicker display refresh
Wide viewing angle	High contrast and color options allow more visibility on portable applications

LOD-H12864DP-G
