

**BU-P3264****(Threaded Banana Plug with Solder Lug)**

- The BU-P3264 is a 8-32 threaded banana (4mm) plug with solder lug.
- Material:   Body           Nickel-plated brass  
              Jacks          Nickel-plated beryllium copper
- Overall length 1.22" (39.98mm), Jack length = 0.56" (14.22mm)
- Ratings:
  - Amperage: 15 Amps
  - Voltage: Hands-free to 5000 VRMS
  - Temperature: -50°C to 150°C
- RoHS compliant
