1. Product Introduction

Exclusive to Urban Women

AH129 is coated using three impressive colors – Tiffany Blue, Glaring Pink and Shiny Silver – on its delicate, glaringly glossy metallic body, to sublimate the overwhelming confidence as is exclusive to urban women. It goes with a silver metallic dual-chain pendant attached by a subtly-designed buckle made of zinc alloy for the finest touch. The exquisite finish and the bling-bling adornment make AH129 a genuine eye-catcher. Its trend-setting design fits every accessory of every style, and uses every detail to intensify the unique taste of fashionable women.

The advanced COB technology endows AH129 with a compact, slim body having practical dust and water resistant features. The smoothly retractable structure enables one-hand operation on the stick, which can avoid losing the cap – an elegant-looking yet easy-to-use design for all users!

AH129, available in capacities from 4GB to 16GB, is supplied with ACE compression software that can effectively compress the stored data to boost the capacity by 500% at maximum. Digital access becomes more convenient than ever!
